What The Event Organizers Are Saying...

"Chad was a warm and engaging auctioneer. What really distinguishes him from others is the way in which he gets the bidding up by interjecting anecdotes about the cause. We

ended up raising much more money than we expected and we will definitely call on Chad again!" - Susan Levin-Abir of Keshet

"We were able to raise more than double our goal. We have already purchased 678 pairs of cleats for 8 different youth sport organizations. We are in the process of distribution. The success of the event would not have happened without your input and valuable suggestions. Your live auction abilities were truly fantastic. It is a pleasure to call you my true friend. " - Vere – Kits for Africa

"Since you've become the country's best auctioneer, we are counting on you doing that again for us this year. We'd also like you to perform the role of chief emcee." - Henrietta - Tennis Opportunity Program

"Hey Chad Coe. You are amazing and so giving of yourself. As our auctioneer last night, we netted much more than previous years, to give to our deserving beneficiaries and that is 100% because of you!!"

- Kara Cermak - C.A.T.I.F. Celebrating All That is Feminine and Kappa Kappa Gamma
